
UPDATE

As you know, the rising concerns surrounding coronavirus (COVID-19) have begun to impact the schedules for major events worldwide. We wanted to provide an update on our plans here at Gurus of Dance.

Multiple events around the world are being cancelled in hopes to contain this pandemic. Offices, colleges are closed or working remotely, School closures are inevitable. Sporting events are all cancelled. Gurus of Dance is committed to helping resolve any issues our community may face as a result of the current challenges.

What are we doing to keep our students and families safe and healthy?

- All classes rehearsals starting this weekend will be cancelled until the end of March.
- At this point we plan to resume on April 5th, 2020

(Please note - This situation is fluid, so we are actively watching any changes to the status on daily/hourly basis)

Impact on our shows/events:

1. **SPLASHOMANIA (April 4th)** - has been cancelled.
2. **Student Show (May 16)** - We hope and pray the situation is under control by March end and our student show can continue as planned. Our other option is to move it to June or August depending on theater availability. **We'll make up for cancelled classes at the time we resume operations**

Given the unique situations that will occur as a result of class cancellations and changes, our commitment is to focus on providing decisions that continue to demonstrate our commitment to our students and their families.

The well-being of our customers is our highest priority and our hearts go out to all who have been affected by the coronavirus. We appreciate your understanding as we all, together, navigate this rapidly changing environment. We remain committed to being transparent, responsive and to keeping you informed of any changes we make as we all hope for a return to normalcy soon.

Thank You
Team Gurus Of Dance
